[HACK Windows 8.1 Pro Genuine \(32-Bits\) With KMS Activator](#)

The screenshot shows the Microsoft Volume Licensing Service Center interface. The main content area displays a table of products for download. The table has columns for Product, Description, Download, and Key. The selected product is 'Office Professional Plus 2016 Key Management Service Host'. Below the table, there are 'Special Instructions' and 'Download Settings' sections. The 'Download Settings' section includes dropdown menus for 'Download Method' (set to 'Download Manager'), 'Language' (set to 'English'), and 'Operating System Type' (set to '32 bit'). A 'Continue' button is visible below these settings. At the bottom of the page, it says 'Page 1 of 1'.

Office Professional Plus 2016 Key Management Service Host	Description	Download	Key

**Special Instructions**  
**Important:** Microsoft strongly recommends the use of 32-bit (x86) versions of Office 2016, Project 2016, and Visio 2016 applications as the default option for all platforms.

**Download Settings**  
Microsoft recommends using a Download Manager if you would like to download multiple files or large file sizes, automatically restart the download if interrupted, or pause, start and stop downloads.
